

Warringtonfire Mid-East Listing No. 016 Certificate of Factory Production Control

Producer: PAL Middle East L.L.C.
Product: PAL Panel, Aluminium Foil Faced Polyurethane Foam Board
Factory Location: Shaikh Zayed Road, P.O. Box 1871, Al Quoz Industrial Area, Dubai, UAE
Date of Inspection: 28th October 2010

This Document Certifies that:

The Factory Production Control (FPC) procedures/routines operated by PAL Middle East L.L.C. at the above address have been subject to FPC Inspection and found to comply with the FPC requirements of the Warringtonfire Mid-East Listing Scheme, including sampling of products. Labels will be applied to unmodified products by PAL Middle East L.L.C. until such time as a printer can be used to print continuously onto the back of each panel.

This certificate is valid for a period of 5 years from date of issue provided that a routine surveillance visit is carried out once every 6 months from the previous visit, to check ongoing implementation of and compliance with the FPC assessed as acceptable.

Note:

This certificate will become invalid if the manufacturer makes significant changes to the assessed as acceptable FPC system, (such as sub-contracting part of the manufacturing process which was previously all carried out in house or new production methods are implemented).

This certificate will become invalid if the manufacturer moves the manufacture of the product from the factory location identified above.

The Product Covered by this Certificate is:

PAL Panel, Aluminium Foil Faced Polyurethane Foam Board

Signed:

C Hughes
Certification Manager

Issue Date: 4th April 2011
Valid to: 3rd April 2016
